2016 Teaching About East Asia Workshop

July 11th - 15th
8:30 - 4:00 p.m.
International Center, Room 303

Course Description:
This National Consortium for Teaching Asia (NCTA) program targets 6 - 12th grade teachers of World Cultures, World History, and World Geography.

This 30 hour course will provide an overview of the pre-modern history and culture of China, Japan, and Korea with special emphasis on pedagogy, best practices, classroom applications, and resources.

Benefits:
• Free five day workshop.
• $500.00 teacher stipend upon successful completion of course requirements.
• $300 in free teaching resources.
• 30 SCECH credit hours upon successful completion of the course (applied for)
• Continuing professional development opportunities, including international study tours.

Registration forms and instructions at:
http://asia.isp.msu.edu/outreach/workshops.htm

*Registrations will be accepted in the order in which they are received until course is full.
