## **Nepal Fact Sheet**

Team Member Names:	
Directions: Using a netbook/laptop, your team needs to discover the answers to the following questions about Nepal. Please share who is searching on the computer and who is taking notes. There are many sites on the Internet about Nepal. Try starting with any of the following sites! ALWAYS verify any information you find with at least THREE other sources – even using these sites I've listed. ©  www.un.org.np/  www.planusa.org/contentmgr/showdetails.php/id/88406
